- (b) The superintendent may, in the superintendent's discretion, designate one of the superintendent's deputies to act as superintendent during the superintendent's absence or inability to act. If the office of superintendent is vacant, or if the superintendent's absence or inability to act continues for a period of more than thirty successive days, the governor may designate a deputy to act as superintendent until the filling of the vacancy or the return or recovery of the superintendent.
- (c) Whenever in this chapter, the banking law, the insurance law or any other law the superintendent is authorized but not required to take any action or the superintendent's approval is required as a condition precedent to the doing of any act, the taking of such action and the giving of such approval shall be within the superintendent's sound discretion. They shall perform such duties as the superintendent shall assign to them. The compensation of such employees shall be determined by the superintendent in accordance with law.

Notwithstanding any inconsistent provision of law, the superintendent may determine the official functions of each division, bureau, or other unit within the department. There shall be a head of each bureau, division or other unit to be appointed by the superintendent, who shall serve at the pleasure of the superintendent, except as may be otherwise provided by the civil service law. The heads of bureaus, divisions or units in the banking and insurance departments who are in office when this chapter takes effect shall continue in office at the pleasure of the superintendent, except as may be otherwise provided by the civil service law.

205-a.

Report. The governor shall by June thirtieth, two thousand eleven, create a working group to examine ways to improve the efficiency and effectiveness of banking regulation and insurance regulation, including opportunities to integrate certain regulatory activities prescribed by the banking law and the insurance law. Such working group shall consult, in making its examination, with representatives of the banking, insurance and financial services industries. On or before January first, two thousand twelve, the superintendent shall issue a report on the results of this review to the governor, the speaker of the assembly and the temporary president of the senate.

205-b.

State charter advisory board. There shall be within the department a state charter advisory board to work with the superintendent in retaining state chartered banking institutions, encouraging federally chartered institutions to convert to a state charter and promoting the state banking system. There shall be nine members of the advisory board who shall be appointed by the superintendent. The membership shall consist of: (a) one representative of credit unions, (b) one representative of consumers, (c) one representative of foreign banks; and (d) representatives of banks which, to the extent practicable, reflect a range of size and geographical location, provided, however, that at least one shall represent institutions of more than three billion dollars in assets; at least two shall represent institutions of less than five hundred million dollars in assets. The superintendent shall make rules to govern the method by which state chartered institutions may nominate persons to the board and the process for selecting such members, provided that the representative of consumers shall be selected by the superintendent. The term of each member of such advisory board shall be three years, or until a successor is appointed and vacancies shall be filled for the unexpired term only. The board shall meet at least three times annually pursuant to the call of the superintendent. Such meetings may be held by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. The members of the advisory board shall receive no compensation nor reimbursement for expenses. The advisory board may:

The advisory board shall have no executive, administrative or appointive powers or duties.

Section 206. Assessments to defray operating expenses of the department.

- (a) For each fiscal year commencing on or after April first, two thousand twelve, assessments to defray operating expenses, including all direct and indirect costs, of the department, except expenses incurred in the liquidation of banking organizations, shall be assessed by the superintendent in accordance with this subsection. Persons regulated under the insurance law shall be assessed by the superintendent for the operating expenses of the department that are solely attributable to regulating persons under the insurance law, which shall include any expenses that were permissible to be assessed in fiscal year two thousand nine-two thousand ten, with the assessments allocated pro rata upon all domestic insurers and all licensed United States branches of alien insurers domiciled in this state within the meaning of paragraph four of subsection (b) of section seven thousand four hundred eight of the insurance law, in proportion to the gross direct premiums and other considerations, written or received by them in this state during the calendar year ending December thirty-first immediately preceding the end of the fiscal year for which the assessment is made (less return premiums and considerations thereon) for policies or contracts of insurance covering property or risks resident or located in this state the issuance of which policies or contracts requires a license from the superintendent. Persons regulated under the banking law shall be assessed by the superintendent for the operating expenses of the department that are solely attributable to regulating persons under the banking law in such proportions as the superintendent shall deem just and reasonable. Operating expenses of the department not covered by the assessments set forth above shall be assessed by the superintendent in such proportions as the superintendent shall deem just and reasonable upon all domestic insurers and all licensed United States branches of alien insurers domiciled in this state within the meaning of paragraph four of subsection (b) of section seven thousand four hundred eight of the insurance law, and upon any regulated person under the banking law, other than mortgage loan originators, except as otherwise provided by sections one hundred fifty-one and two hundred twenty-eight of the workers' compensation law and by section sixty of the volunteer firefighters' benefit law. The provisions of this subsection shall not be applicable to a bank holding company, as that term is defined in article three-A of the banking law. Persons regulated under the banking law will not be assessed for expenses that the superintendent deems to benefit solely persons regulated under the insurance law, and persons regulated under the insurance law will not be assessed for expenses that the superintendent deems to benefit solely persons regulated under the banking law.
- (b) For each fiscal year commencing on or after April first, two thousand twelve, a partial payment shall be made by each entity subject to this section in a sum equal to twenty-five per centum, or such other per centum or per centums as the superintendent may prescribe, of the annual expenses assessed upon it for the fiscal year as estimated by the superintendent. Such payment shall be made on March tenth of the preceding fiscal year and on June tenth, September tenth and December tenth of each year, or at such other dates as the superintendent may prescribe. The balance of assessments for the fiscal year shall be paid upon determination of the actual amount due in accordance with the provisions of this section. Any overpayment of annual assessment resulting from complying with the requirements of this subsection shall be applied against the next estimated quarterly assessment, if less than or equal to such amount, with any excess refunded to the assessed. As an alternative, if the estimated annual assessment for the fiscal year is equal to or less than the annual minimum assessment set by the superintendent, the superintendent may require full payment to be made on or before September thirtieth or such other date of the fiscal year as the superintendent may determine.

- (c) The expenses incurred in making examinations of, or for special services performed on account of, any bank holding company, as that term is defined in the banking law, or any regulated person under the banking law, shall be assessed provided, however, that the superintendent, in the superintendent's sole discretion, may determine, with respect to expenses incurred in the making of any specific examination or investigation, or the performing of any special services, that any such expense shall be assessed against and paid by the bank holding company or any other regulated person under the banking law for which they were incurred or performed.
- (d) The expenses incurred in making an examination of any affiliate of a banking organization pursuant to the banking law, and the expenses incurred in making an examination, pursuant to the banking law, of a non-banking subsidiary of a corporation or any other entity that is an affiliate of a banking organization, shall be assessed against and paid by such banking organization if the affiliate cannot be assessed pursuant to the provisions of the banking law.
- (e) The superintendent may, in the superintendent's sole discretion, upon notice, suspend the license, registration, certificate or authority (for purposes of this section, a license) granted to any person pursuant to this chapter, the banking law or insurance law, upon the failure of such person to make any payment required by this section within thirty days after the due date. If the superintendent has suspended any such license, such license may be reinstated if the superintendent determines that such person has made any such payments within ninety days after the date of such notice of suspension. Otherwise, unless the superintendent, in the superintendent's sole discretion, has extended such suspension, the license of such person shall be deemed to be automatically terminated by operation of law at the close of business on such ninetieth day.
- (f)
 - (1) The expenses of every examination of the affairs of any regulated person subject to the insurance law, including an appraisal of such regulated person's real property or of any real property on which such regulated person holds a mortgage, made pursuant to the authority conferred by any provision of this chapter, the insurance law or the banking law, shall be borne and paid by the regulated person so examined, but the superintendent, with the approval of the comptroller, may in the superintendent's discretion for good cause shown remit such charges.
 - (2)
 - (A) For any such examination by the superintendent or a deputy superintendent personally, the charge made shall be only for necessary traveling expenses and other actual expenses. In all other cases, the expenses of examination shall also include reimbursement for the compensation paid for the services of persons employed by the superintendent or by the superintendent's authority to make such examination or appraisal.
 - (B) Notwithstanding any provisions of this section to the contrary, in case of an examination or appraisal of a domestic insurer made within this state, the traveling and living expense of the person or persons making the examination shall be considered a cost of operation, as referred to in section three hundred thirty-two of the insurance law and not an expense of examination.
 - (3) All charges, including necessary traveling and other actual expenses, except as hereinabove provided, as audited by the comptroller and paid on the comptroller's warrant in the usual manner by the comptroller to the person or persons making the examination or appraisal, shall be presented to the insurer, or other person whose duty it is to pay the same, in the form of a copy of the itemized bill therefor as certified and approved by the superintendent or by any deputy superintendent or authorized employee of the department. Upon receiving such certified copy the insurer or other person whose duty it is to pay such charges shall pay the amount thereof to the superintendent, to be paid by the superintendent into the state treasury.

The legislature further finds that financial fraud is detrimental to the social and economic well-being of the citizens of this state. In order to more thoroughly uncover, investigate and eliminate the myriad financial frauds that may be perpetrated in, and may involve the people of, New York state, the legislature finds that it is appropriate that the responsibilities of the insurance frauds bureau and the criminal investigations bureau that were administered by the department of insurance and the department of banking, respectively, prior to the enactment of this article, be consolidated into a new financial frauds and consumer protection unit under the supervision of the superintendent.

Section 403. Financial frauds and consumer protection unit.

- (c) Nothing in this chapter shall be construed to grant or authorize the financial frauds and consumer protection unit the specific powers or responsibilities of the consumer protection division of the department of state.

Section 405.

Immunity. In the absence of fraud or bad faith, no person subject to the provisions of this chapter, the banking law or the insurance law shall be subject to civil liability, and no civil cause of action of any nature shall arise against such person for any: (a) information relating to suspected violations of the banking law or the insurance law furnished to law enforcement officials, their agents and employees; (b) information relating to suspected violations of the banking law or the insurance law furnished to other persons subject to the provisions of this chapter; and (c) information furnished in reports to the financial frauds and consumer protection unit, its agents or employees or any state agency investigating fraud or misconduct relating to financial fraud, its agents or employees. PART C

Section 1.

This act enacts into law major components of legislation which are necessary to implement the state fiscal plan for the 2011-2012 state fiscal year. Each component is wholly contained within a Subpart identified as Subparts A and B. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes a reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this act sets forth the general effective date of this act.

SUBPART A

Section 1.

Legislative intent. In 1996, the legislature changed the penal law to include as an express purpose of imprisonment, the promotion of inmates' successful and productive reentry into society. Toward this end, many new responsibilities have been placed on both corrections officials and parole officials to ready inmates for their release into the community such as: obtaining their birth certificates and social security cards prior to release, preparing Medicaid applications as warranted, securing identification cards from the department of motor vehicles, and providing them with voter registration forms. In addition, transitional services programs have now become mandatory for all inmates. Transition accountability plans will be developed for each inmate, starting with their time in general confinement and culminating with the inmate's successful reintegration into the community. Furthermore, direct linkages with local agencies have been greatly enhanced with the creation of Re-entry Task Forces throughout the state.

As a result of the evolution of the sentencing structure and focus on reentry the historical separation of the department of correctional services and the division of parole is no longer warranted. In view of the commonality of purpose governing the fundamental missions of both agencies, a single new state agency should be created to oversee the combined responsibilities of both and, in effect, provide for a seamless network for the care, custody, treatment and supervision of a person, from the day a sentence of state imprisonment commences, until the day such person is discharged from supervision in the community. This not only will enhance public safety by achieving better outcomes for the greatest number of individuals being released from prison, but also will allow for greater efficiencies and the elimination of duplicative responsibilities, thus resulting in significant savings for the state.

However, it is not the intent of the legislature in enacting this merger, to diminish in any way the significant roles corrections officers and parole officers serve in the criminal justice system, and it is not to imply that they are interchangeable. The purpose of this legislation is to recognize where the mission of both entities is similar and that by combining the administrations of each, not only can fiscal efficiencies be achieved but also that services can be provided on a continuum rather than an abrupt transfer of responsibility.

It is fundamental that the board of parole retain its authority to make release decisions based on the board members' independent judgment and application of statutory criteria as well as decisions regarding revocations of release. To this end, the legislation makes clear that the board shall continue to exercise its independence when making such decisions. The new agency's provision of administrative support will not undermine the board's independent decision-making authority.

In accordance with the provisions of this chapter, the department shall supervise inmates released to community supervision, except that the department may consent to the supervision of a released inmate by the United States parole commission pursuant to the witness security act of nineteen hundred eighty-four.

3. To facilitate the supervision of all inmates released to community supervision, the commissioner shall consider the implementation of a program of graduated sanctions, including but not limited to the utilization of a risk and needs assessment instrument that would be administered to all inmates eligible for community supervision. - (c)** In the event of non-payment of any fees that have not been waived, the department may seek to enforce payment in any manner permitted by law for enforcement of a debt owed to the state; provided, however, such enforcement shall not include use of any private debt collection agency or service.

(a)

(i) Except as provided in subparagraph (ii) of this paragraph, at least one month prior to the date on which an inmate may be paroled pursuant to subdivision one of [section 70.40 of the penal law](#), a member or members as determined by the rules of the board shall personally interview such inmate and determine whether he should be paroled in accordance with the guidelines adopted pursuant to subdivision four of section two hundred fifty-nine-c of this article. If parole is not granted upon such review, the inmate shall be informed in writing within two weeks of such appearance of the factors and reasons for such denial of parole. Such reasons shall be given in detail and not in conclusory terms. The board shall specify a date not more than twenty-four months from such determination for reconsideration, and the procedures to be followed upon reconsideration shall be the same. If the inmate is released, he shall be given a copy of the conditions of parole. Such conditions shall where appropriate, include a requirement that the parolee comply with any restitution order, mandatory surcharge, sex offender registration fee and DNA databank fee previously imposed by a court of competent jurisdiction that applies to the parolee. The ~~board of parole~~ conditions shall indicate which restitution collection agency established under subdivision eight of [section 420.10 of the criminal procedure law](#), shall be responsible for collection of restitution, mandatory surcharge, sex offender registration fees and DNA databank fees as provided for in [section 60.35 of the penal law](#) and section eighteen hundred nine of the vehicle and traffic law.

(ii) Any inmate who is scheduled for presumptive release pursuant to section eight hundred six of the correction law shall not appear before the ~~parole~~ board as provided in subparagraph (i) of this paragraph unless such inmate's scheduled presumptive release is forfeited, canceled, or rescinded subsequently as provided in such law. In such event, the inmate shall appear before the ~~parole~~ board for release consideration as provided in subparagraph (i) of this paragraph as soon thereafter as is practicable.

(b) Persons presumptively released, paroled, conditionally released or released to post-release supervision from an institution under the jurisdiction of the department ~~of correctional services or~~, the department of mental hygiene ~~or the office of children and family services~~ shall, while on presumptive release, parole, conditional release or post-release supervision, be in the legal custody of the ~~division of parole department~~ until expiration of the maximum term or period of sentence, or expiration of the period of supervision, including any period of post-release supervision, or return to ~~imprisonment in~~ the custody of the department ~~of correctional services~~, as the case may be.

(A) Discretionary release on parole shall not be granted merely as a reward for good conduct or efficient performance of duties while confined but after considering if there is a reasonable probability that, if such inmate is released, he will live and remain at liberty without violating the law, and that his release is not incompatible with the welfare of society and will not so deprecate the seriousness of his crime as to undermine respect for law. In making the parole release decision, the ~~guidelines~~ procedures adopted pursuant to subdivision four of section two hundred fifty-nine-c of this article shall require that the following be considered: (i) the institutional record including program goals and accomplishments, academic achievements, vocational education, training or work assignments, therapy and ~~interpersonal relationships~~ interactions with staff and inmates; (ii) performance, if any, as a participant in a temporary release program; (iii) release plans including community resources, employment, education and training and support services available to the inmate; (iv) any deportation order issued by the federal government against the inmate while in the custody of the department ~~of correctional services~~ and any recommendation

regarding deportation made by the commissioner of the department ~~of correctional services~~ pursuant to section one hundred forty-seven of the correction law; (v) any statement made to the board by the crime victim or the victim's representative, where the crime victim is deceased or is mentally or physically incapacitated; ~~and~~ (vi) the length of the determinate sentence to which the inmate would be subject had he or she received a sentence pursuant to section 70.70 or [section 70.71 of the penal law](#) for a felony defined in article two hundred twenty or article two hundred twenty-one of the penal law ; (vii) the seriousness of the offense with due consideration to the type of sentence, length of sentence and recommendations of the sentencing court, the district attorney, the attorney for the inmate, the pre-sentence probation report as well as consideration of any mitigating and aggravating factors, and activities following arrest prior to confinement; and (viii) prior criminal record, including the nature and pattern of offenses, adjustment to any previous probation or parole supervision and institutional confinement . The board shall provide toll free telephone access for crime victims. In the case of an oral statement made in accordance with subdivision one of [section 440.50 of the criminal procedure law](#), the parole board member shall present a written report of the statement to the parole board. A crime victim's representative shall mean the crime victim's closest surviving relative, the committee or guardian of such person, or the legal representative of any such person. Such statement submitted by the victim or victim's representative may include information concerning threatening or intimidating conduct toward the victim, the victim's representative, or the victim's family, made by the person sentenced and occurring after the sentencing. Such information may include, but need not be limited to, the threatening or intimidating conduct of any other person who or which is directed by the person sentenced. ~~Notwithstanding the provisions of this section, in making the parole release decision for persons whose minimum period of imprisonment was not fixed pursuant to the provisions of subdivision one of this section, in addition to the factors listed in this paragraph the board shall consider the factors listed in paragraph (a) of subdivision one of this section.~~

(d)

- (i) Notwithstanding the provisions of paragraphs (a), (b) and (c) of this subdivision, after the inmate has served his minimum period of imprisonment imposed by the court, or at any time after the inmate's period of imprisonment has commenced for an inmate serving a determinate or indeterminate term of imprisonment, provided that the inmate has had a final order of deportation issued against him and provided further that the inmate is not convicted of either an A-I felony offense other than an A-I felony offense as defined in article two hundred twenty of the penal law or a violent felony offense as defined in [section 70.02 of the penal law](#), if the inmate is subject to deportation by the United States [Bureau of](#) Immigration and ~~Naturalization Service~~ [Customs Enforcement](#) , in addition to the criteria set forth in paragraph (c) of this subdivision, the board may consider, as a factor warranting earlier release, the fact that such inmate will be deported, and may grant parole from an indeterminate sentence or release for deportation from a determinate sentence to such inmate conditioned specifically on his prompt deportation. The board may make such conditional grant of early parole from an indeterminate sentence or release for deportation from a determinate sentence only where it has received from the United States [Bureau of](#) Immigration and ~~Naturalization Service~~ [Customs Enforcement](#) assurance (A) that an order of deportation will be executed or that proceedings will promptly be commenced for the purpose of deportation upon release of the inmate from the custody of the department of correctional services, and (B) that the inmate, if granted parole or release for deportation pursuant to this paragraph, will not be released from the custody of the United States [Bureau of](#) Immigration and ~~Naturalization Service~~ [Customs Enforcement](#) , unless such release be as a result of deportation without providing the board a reasonable opportunity to arrange for execution of its warrant for the retaking of such person.
- (ii) An inmate who has been granted parole from an indeterminate sentence or release for deportation from a determinate sentence pursuant to this paragraph shall be delivered to the custody of the United States [Bureau of](#) Immigration and ~~Naturalization Service~~ [Customs Enforcement](#) along with the board's warrant for his retaking to be executed in the event of his release from such

custody other than by deportation. In the event that such person is not deported, the board shall execute the warrant, effect his return to **imprisonment in** the custody of the department ~~of correctional services~~ and within sixty days after such return, provided that the person is serving an indeterminate sentence and the minimum period of imprisonment has been served, personally interview him to determine whether he should be paroled in accordance with the provisions of paragraphs (a), (b) and (c) of this subdivision. The return of a person granted parole from an indeterminate sentence or release for deportation from a determinate sentence pursuant to this paragraph for the reason set forth herein shall not be deemed to be a parole delinquency and the interruptions specified in subdivision three of [section 70.40 of the penal law](#) shall not apply, but the time spent in the custody of the United States **Bureau of Immigration and Customs Enforcement** ~~Naturalization Service~~ shall be credited against the term of the sentence in accordance with the rules specified in paragraph (c) of that subdivision. Notwithstanding any other provision of law, any inmate granted parole from an indeterminate sentence or release for deportation from a determinate sentence pursuant to this paragraph who is subsequently committed to **imprisonment in** the custody of the department ~~of correctional services~~ for a felony offense committed after release pursuant to this paragraph shall have his parole eligibility date on the indeterminate sentence for the new felony offense, or his conditional release date on the determinate sentence for the new felony offense, as the case may be, extended by the amount of time between the date on which such inmate was released from **imprisonment in** the custody of the department ~~of correctional services~~ pursuant to this paragraph and the date on which such inmate would otherwise have completed service of the minimum period of imprisonment on the prior felony offense.

- (i) If the parole officer having charge of a presumptively released, paroled or conditionally released person or a person released to postrelease supervision or a person received under the uniform act for out-of-state parolee supervision shall have reasonable cause to believe that such person has lapsed into criminal ways or company, or has violated one or more conditions of his presumptive release, parole, conditional release or post-release supervision, such parole officer shall report such fact to a member of the board ~~of parole~~, or to any officer of the ~~division~~ **department** designated by the board, and thereupon a warrant may be issued for the retaking of such person and for his temporary detention in accordance with the rules of the board. The retaking and detention of any such person may be further regulated by rules and regulations of the ~~division~~ **department** not inconsistent with this article. A warrant issued pursuant to this section shall constitute sufficient authority to the superintendent or other person in charge of any jail, penitentiary, lockup or detention pen to whom it is delivered to hold in temporary detention the person named therein; except that a warrant issued with respect to a person who has been released on medical parole pursuant to section two hundred fifty-nine-r of this article and whose parole is being revoked pursuant to paragraph (h) of subdivision four of such section shall constitute authority for the immediate placement of the parolee only into **imprisonment in** the custody of the department ~~of correctional services~~ to hold in temporary detention. A warrant issued pursuant to this section shall also constitute sufficient authority to the person in charge of a drug treatment campus, as defined in subdivision twenty of section two of the correction law, to hold the person named therein, in accordance with the procedural requirements of this section, for a period of at least ninety days to complete an intensive drug treatment program mandated by the board ~~of parole~~ as an alternative to presumptive release or parole or conditional release revocation, or the revocation of post-release supervision, and shall also constitute sufficient authority for return of the person named therein to local custody to hold in temporary detention for further revocation proceedings in the event said person does not successfully complete the intensive drug treatment program. The board's rules shall provide for cancellation of delinquency and restoration to supervision upon the successful completion of the program.
- (iii) Where the alleged violator is detained in another state pursuant to such warrant and is not under parole supervision pursuant to the uniform act for out-of-state parolee supervision or where an

alleged violator under parole supervision pursuant to the uniform act for out-of-state parolee supervision is detained in a state other than the receiving state, the warrant will not be deemed to be executed until the alleged violator is detained exclusively on the basis of such warrant and the ~~division of parole~~ department has received notification that the alleged violator (A) has formally waived extradition to this state or (B) has been ordered extradited to this state pursuant to a judicial determination. The alleged violator will not be considered to be within the convenience and practical control of the ~~division of parole~~ department until the warrant is deemed to be executed.

- (x) If the presiding officer is satisfied that there is a preponderance of evidence that the alleged violator violated one or more conditions of release in an important respect, he or she shall so find. For each violation so found, the presiding officer may (A) direct that the presumptive releasee, parolee, conditional releasee or person serving a period of post-release supervision be restored to supervision; (B) as an alternative to reincarceration, direct the presumptive releasee, parolee, conditional releasee or person serving a period of post-release supervision be placed in a parole transition facility for a period not to exceed one hundred eighty days and subsequent restoration to supervision; (C) in the case of presumptive releasees, parolees or conditional releasees, direct the violator's reincarceration and fix a date for consideration by the board for re-release on presumptive release, or parole or conditional release, as the case may be; or (D) in the case of persons released to a period of post-release supervision, direct the violator's reincarceration up to the balance of the remaining period of post-release supervision, not to exceed five years; provided, however, that a defendant serving a term of post-release supervision for a conviction of a felony sex offense defined in [section 70.80 of the penal law](#) may be subject to a further period of imprisonment up to the balance of the remaining period of post-release supervision. ~~Where a date has been fixed for the violator's re-release on presumptive release, parole or conditional release, as the case may be, the board or board member may waive the personal interview between a member or members of the board and the violator to determine the suitability for re-release; provided, however, that the board shall retain the authority to suspend the date fixed for re-release and to require a personal interview based on the violator's institutional record or on such other basis as is authorized by the rules and regulations of the board. If an interview is required, the board shall notify the violator of the time of such interview in accordance with the rules and regulations of the board. If the violator is placed in a parole transition facility or restored to supervision, the presiding officer may impose such other conditions of presumptive release, parole, conditional release, or post-release supervision as he or she may deem appropriate, as authorized by rules of the board.~~ For the violator serving an indeterminate sentence who while re-incarcerated has not been found by the department to have committed a serious disciplinary infraction, such violator shall be re-released on the date fixed at the revocation hearing. For the violator serving an indeterminate sentence who has been found by the department to have committed a serious disciplinary infraction while re-incarcerated, the department shall refer the violator to the board for consideration for re-release to community supervision. Upon such referral the board may waive the personal interview between a member or members of the board and the violator to determine the suitability for re-release when the board directs that the violator be re-released upon expiration of the time assessment. The board shall retain the authority to suspend the date fixed for re-release based on the violator's commission of a serious disciplinary infraction and shall in such case require a personal interview be conducted within a reasonable time between a panel of members of the board and the violator to determine suitability for re-release. If an interview is required, the board shall notify the violator in advance of the date and time of such interview in accordance with the rules and regulations of the board .
- (i) Where there is reasonable cause to believe that a presumptive releasee, parolee, conditional releasee or person under post-release supervision has absconded from supervision the board may declare such person to be delinquent. This paragraph shall not be construed to deny such person a preliminary revocation hearing upon his retaking, nor to relieve the ~~division of parole~~ department of any obligation it may have to exercise due diligence to retake the alleged

absconder, nor to relieve the parolee or releasee of any obligation he may have to comply with the conditions of his release.

If parole is not granted upon such review, the inmate shall be informed in writing within two weeks of such appearance of the factors and reasons for such denial of parole. Such reasons shall be given in detail and not in conclusory terms. The board shall specify a date not more than twenty-four months from such determination for reconsideration, and the procedures to be followed upon reconsideration shall be the same. If the inmate is released, he shall be given a copy of the conditions of parole. Such conditions shall where appropriate, include a requirement that the parolee comply with any restitution order and mandatory surcharge previously imposed by a court of competent jurisdiction that applies to the parolee. The ~~board of parole~~ **conditions** shall indicate which restitution collection agency established under subdivision eight of *section 420.10 of the criminal procedure law*, shall be responsible for collection of restitution and mandatory surcharge as provided for in *section 60.35 of the penal law* and section eighteen hundred nine of the vehicle and traffic law.

~~(i) a hate crime as defined in section 485.05 of the penal law; or~~

~~(j) an offense defined in article four hundred ninety of the penal law.~~

~~2. A merit termination granted by the division of parole under this section shall constitute a termination of the sentence with respect to which it was granted. No such merit termination shall be granted unless the division of parole is satisfied that termination of sentence from presumptive release, parole or from conditional release is in the best interest of society, and that the parolee or releasee, otherwise financially able to comply with an order of restitution and the payment of any mandatory surcharge previously imposed by a court of competent jurisdiction, has made a good faith effort to comply therewith.~~

~~3. A merit termination of sentence may be granted after two years of presumptive release, parole, conditional release or release to post-release supervision to a person serving a sentence for a class A felony offense as defined in article two hundred twenty of the penal law. ~~5.~~ **2** . The chairman of the board of parole shall promulgate rules and regulations governing the issuance of ~~merit terminations of sentence and~~ discharges from ~~presumptive release, parole and conditional release~~ **community supervision pursuant to this section** to assure that such ~~terminations and~~ discharges are consistent with public safety.

Such a discharge may be granted only after the person has served at least five years of post-release supervision, and only to a person who has been on unrevoked post-release supervision for at least three consecutive years. No such discharge shall be granted unless the ~~division~~ **board** of parole ~~or the department acting pursuant to its~~

Release on medical parole for terminally ill inmates. 1. (a) The board shall have the power to release on medical parole any inmate serving an indeterminate or determinate sentence of imprisonment who, pursuant to subdivision two of this section, has been certified to be suffering from a terminal condition, disease or syndrome and to be so debilitated or incapacitated as to create a reasonable probability that he or she is physically or cognitively incapable of presenting any danger to society, provided, however, that no inmate serving a sentence imposed upon a conviction for murder in the first degree or an attempt or conspiracy to commit murder in the first degree shall be eligible for such release, and provided further that no inmate serving a sentence imposed upon a conviction for any of the following offenses shall be eligible for such release unless in the case of an indeterminate sentence he or she has served at least one-half of the minimum period of the sentence and in the case of a determinate sentence he or she has served at least one-half of the term of his or her determinate sentence: murder in the second degree, manslaughter in the first degree, any offense defined in article one hundred thirty of the penal law or an attempt to commit any of these offenses. Solely for the purpose of determining medical parole eligibility pursuant to this section, such one-half of the minimum period of the indeterminate sentence and one-half of the term of the determinate sentence shall not be credited with any time served under the jurisdiction of the ~~state~~ department ~~of correctional services~~ prior to the commencement of such sentence pursuant to the opening paragraph of subdivision one of section 70.30 of the penal law or subdivision two-a of section 70.30 of the penal law, except to the extent authorized by subdivision three of section 70.30 of the penal law.

- (b) Such release shall be granted only after the board considers whether, in light of the inmate's medical condition, there is a reasonable probability that the inmate, if released, will live and remain at liberty without violating the law, and that such release is not incompatible with the welfare of society and will not so deprecate the seriousness of the crime as to undermine respect for the law, and shall be subject to the limits and conditions specified in subdivision four of this section. Except as set forth in paragraph (a) of this subdivision, such release may be granted at any time during the term of an inmate's sentence, notwithstanding any other provision of law.
- (c) The board shall afford notice to the sentencing court, the district attorney and the attorney for the inmate that the inmate is being considered for release pursuant to this section and the parties receiving notice shall have fifteen days to comment on the release of the inmate. Release on medical parole shall not be granted until the expiration of the comment period provided for in this paragraph.

2.

- (a) The commissioner ~~of correctional services~~, on the commissioner's own initiative or at the request of an inmate, or an inmate's spouse, relative or attorney, may, in the exercise of the commissioner's discretion, direct that an investigation be undertaken to determine whether a

diagnosis should be made of an inmate who appears to be suffering from a terminal condition, disease or syndrome. Any such medical diagnosis shall be made by a physician licensed to practice medicine in this state pursuant to section sixty-five hundred twenty-four of the education law. Such physician shall either be employed by the department ~~of correctional services~~, shall render professional services at the request of the department ~~of correctional services~~, or shall be employed by a hospital or medical facility used by the department ~~of correctional services~~ for the medical treatment of inmates. The diagnosis shall be reported to the commissioner ~~of correctional services~~ and shall include but shall not be limited to a description of the terminal condition, disease or syndrome suffered by the inmate, a prognosis concerning the likelihood that the inmate will not recover from such terminal condition, disease or syndrome, a description of the inmate's physical or cognitive incapacity which shall include a prediction respecting the likely duration of the incapacity, and a statement by the physician of whether the inmate is so debilitated or incapacitated as to be severely restricted in his or her ability to self-ambulate or to perform significant normal activities of daily living. This report also shall include a recommendation of the type and level of services and treatment the inmate would require if granted medical parole and a recommendation for the types of settings in which the services and treatment should be given.

- (b) The commissioner, or the commissioner's designee, shall review the diagnosis and may certify that the inmate is suffering from such terminal condition, disease or syndrome and that the inmate is so debilitated or incapacitated as to create a reasonable probability that he or she is physically or cognitively incapable of presenting any danger to society. If the commissioner does not so certify then the inmate shall not be referred to the board ~~of parole~~ for consideration for release on medical parole. If the commissioner does so certify, then the commissioner shall, within seven working days of receipt of such diagnosis, refer the inmate to the board ~~of parole~~ for consideration for release on medical parole. However, no such referral of an inmate to the board ~~of parole~~ shall be made unless the inmate has been examined by a physician and diagnosed as having a terminal condition, disease or syndrome as previously described herein at some time subsequent to such inmate's admission to a facility operated by the department of correctional services.
 - (c) When the commissioner refers an inmate to the board, the commissioner shall provide an appropriate medical discharge plan ~~jointly~~ established by the department ~~of correctional services and the division of parole~~. The department ~~of correctional services and the division of parole are~~ **is** authorized to request assistance from the department of health and from the county in which the inmate resided and committed his or her crime, which shall provide assistance with respect to the development and implementation of a discharge plan, including potential placements of a releasee. The department ~~of correctional services, the division of parole~~ and the department of health shall jointly develop standards for the medical discharge plan that are appropriately adapted to the criminal justice setting, based on standards established by the department of health for hospital medical discharge planning. The board may postpone its decision pending completion of an adequate discharge plan, or may deny release based on inadequacy of the discharge plan.
3. Any certification by the commissioner or the commissioner's designee pursuant to this section shall be deemed a judicial function and shall not be reviewable if done in accordance with law.
- 4.
- (a) Medical parole granted pursuant to this section shall be for a period of six months.
 - (b) The board shall require as a condition of release on medical parole that the releasee agree to remain under the care of a physician while on medical parole and in a hospital established pursuant to article twenty-eight of the public health law, a hospice established pursuant to article forty of the public health law or any other placement that can provide appropriate medical care as specified in the medical discharge plan required by subdivision two of this

section. The medical discharge plan shall state that the availability of the placement has been confirmed, and by whom. Notwithstanding any other provision of law, when an inmate who qualifies for release under this section is cognitively incapable of signing the requisite documentation to effectuate the medical discharge plan and, after a diligent search no person has been identified who could otherwise be appointed as the inmate's guardian by a court of competent jurisdiction, then, solely for the purpose of implementing the medical discharge plan, the facility health services director at the facility where the inmate is currently incarcerated shall be lawfully empowered to act as the inmate's guardian for the purpose of effectuating the medical discharge.

- (c) Where appropriate, the board shall require as a condition of release that medical parolees be supervised on intensive caseloads at reduced supervision ratios.
- (d) The board shall require as a condition of release on medical parole that the releasee undergo periodic medical examinations and a medical examination at least one month prior to the expiration of the period of medical parole and, for the purposes of making a decision pursuant to paragraph (e) of this subdivision, that the releasee provide the board with a report, prepared by the treating physician, of the results of such examination. Such report shall specifically state whether or not the parolee continues to suffer from a terminal condition, disease, or syndrome, and to be so debilitated or incapacitated as to be severely restricted in his or her ability to self-ambulate or to perform significant normal activities of daily living.
- (e) Prior to the expiration of the period of medical parole the board shall review the medical examination report required by paragraph (d) of this subdivision and may again grant medical parole pursuant to this section; provided, however, that the provisions of paragraph (c) of subdivision one and subdivision two of this section shall not apply.
- (f) If the updated medical report presented to the board states that a parolee released pursuant to this section is no longer so debilitated or incapacitated as to create a reasonable probability that he or she is physically or cognitively incapable of presenting any danger to society or if the releasee fails to submit the updated medical report then the board may not make a new grant of medical parole pursuant to paragraph (e) of this subdivision. Where the board has not granted medical parole pursuant to such paragraph (e) the board shall promptly conduct through one of its members, or cause to be conducted by a hearing officer designated by the board, a hearing to determine whether the releasee is suffering from a terminal condition, disease or syndrome and is so debilitated or incapacitated as to create a reasonable probability that he or she is physically or cognitively incapable of presenting any danger to society and does not present a danger to society. If the board makes such a determination then it may make a new grant of medical parole pursuant to the standards of paragraph (b) of subdivision one of this section. At the hearing, the releasee shall have the right to representation by counsel, including the right, if the releasee is financially unable to retain counsel, to have the appropriate court assign counsel in accordance with the county or city plan for representation placed in operation pursuant to article eighteen-B of the county law.
- (g) The hearing and determination provided for by paragraph (f) of this subdivision shall be concluded within the six month period of medical parole. If the board does not renew the grant of medical parole, it shall order that the releasee be returned immediately to the custody of the department ~~of correctional services~~.
- (h) In addition to the procedures set forth in paragraph (f) of this subdivision, medical parole may be revoked at any time upon any of the grounds specified in paragraph (a) of subdivision three of section two hundred fifty-nine-i of this article, and in accordance with the procedures specified in subdivision three of section two hundred fifty-nine-i of this article.
- (i) A releasee who is on medical parole and who becomes eligible for parole pursuant to the provisions of subdivision two of section two hundred fifty-nine-i of this article shall be eligible for parole consideration pursuant to such subdivision.

5. A denial of release on medical parole or expiration of medical parole in accordance with the provisions of paragraph (f) of subdivision four of this section shall not preclude the inmate from reapplying for medical parole or otherwise affect an inmate's eligibility for any other form of release provided for by law.
6. To the extent that any provision of this section requires disclosure of medical information for the purpose of processing an application or making a decision, regarding release on medical parole or renewal of medical parole, or for the purpose of appropriately supervising a person released on medical parole, and that such disclosure would otherwise be prohibited by article twenty-seven-F of the public health law, the provisions of this section shall be controlling.
7. The commissioner ~~of correctional services~~ and the chairman of the board ~~of parole~~ shall be authorized to promulgate rules and regulations for their respective agencies to implement the provisions of this section.
8. Any decision made by the board pursuant to this section may be appealed pursuant to subdivision four of section two hundred fifty-nine-i of this article.
9. The chairman shall report annually to the governor, the temporary president of the senate and the speaker of the assembly, the chairpersons of the assembly and senate codes committees, the chairperson of the senate crime and corrections committee, and the chairperson of the assembly corrections committee the number of inmates who have applied for medical parole; the number who have been granted medical parole; the nature of the illness of the applicants, the counties to which they have been released and the nature of the placement pursuant to the medical discharge plan; the categories of reasons for denial for those who have been denied; the number of releasees who have been granted an additional period or periods of medical parole and the number of such grants; the number of releasees on medical parole who have been returned to imprisonment in the custody of the department ~~of correctional services~~ and the reasons for return.

Release on medical parole for inmates suffering significant debilitating illnesses. 1. (a) The board shall have the power to release on medical parole any inmate serving an indeterminate or determinate sentence of imprisonment who, pursuant to subdivision two of this section, has been certified to be suffering from a significant and permanent non-terminal condition, disease or syndrome that has rendered the inmate so physically or cognitively debilitated or incapacitated as to create a reasonable probability that he or she does not present any danger to society, provided, however, that no inmate serving a sentence imposed upon a conviction for murder in the first degree or an attempt or conspiracy to commit murder in the first degree shall be eligible for such release, and provided further that no inmate serving a sentence imposed upon a conviction for any of the following offenses shall be eligible for such release unless in the case of an indeterminate sentence he or she has served at least one-half of the minimum period of the sentence and in the case of a determinate sentence he or she has served at least one-half of the term of his or her determinate sentence: murder in the second degree, manslaughter in the first degree, any offense defined in article one hundred thirty of the penal law or an attempt to commit any of these offenses. Solely for the purpose of determining medical parole eligibility pursuant to this section, such one-half of the minimum period of the indeterminate sentence and one-half of the term of the determinate sentence shall not be credited with any time served under the jurisdiction of the ~~state~~ department ~~of correctional services~~ prior to the commencement of such sentence pursuant to the opening paragraph of subdivision one of [section 70.30 of the penal law](#) or subdivision two-a of [section 70.30 of the penal law](#), except to the extent authorized by subdivision three of [section 70.30 of the penal law](#).

- (b) Such release shall be granted only after the board considers whether, in light of the inmate's medical condition, there is a reasonable probability that the inmate, if released, will live and remain at liberty without violating the law, and that such release is not incompatible with the welfare of society and will not so deprecate the seriousness of the crime as to undermine respect for the law, and shall be subject to the limits and conditions specified in subdivision four of this section. In making this determination, the board shall consider: (i) the nature and seriousness of the inmate's crime; (ii) the inmate's prior criminal record; (iii) the inmate's disciplinary, behavioral and rehabilitative record during the term of his or her incarceration; (iv) the amount of time the inmate must serve before becoming eligible for release pursuant to section two hundred fifty-nine-i of this article; (v) the current age of the inmate and his or her age at the time of the crime; (vi) the recommendations of the sentencing court, the district attorney and the victim or the victim's representative; (vii) the nature of the inmate's medical condition, disease or syndrome and the extent of medical treatment or care that the inmate will require as a result of that condition, disease or syndrome; and (viii) any other relevant factor. This report also shall include a recommendation of the type and level of services and treatment the inmate would require if granted medical parole and a recommendation for the types of settings in which the services and treatment should be given.
 - (b) The commissioner, or the commissioner's designee, shall review the diagnosis and may certify that the inmate is suffering from such condition, disease or syndrome and that the inmate is so debilitated or incapacitated as to create a reasonable probability that he or she is physically or cognitively incapable of presenting any danger to society. If the commissioner does not so certify then the inmate shall not be referred to the board ~~of parole~~ for consideration for release on medical parole. If the commissioner does so certify, then the commissioner shall, within seven working days of receipt of such diagnosis, refer the inmate to the board ~~of parole~~ for consideration for release on medical parole. However, no such referral of an inmate to the board of parole shall be made unless the inmate has been examined by a physician and diagnosed as having a condition, disease or syndrome as previously described herein at some time subsequent to such inmate's admission to a facility operated by the department ~~of correctional services~~.

The department ~~of correctional services, the division of parole~~ and the department of health shall jointly develop standards for the medical discharge plan that are appropriately adapted to the criminal justice setting, based on standards established by the department of health for hospital medical discharge planning. The board may postpone its decision pending completion of an adequate discharge plan, or may deny release based on inadequacy of the discharge plan.
3. Any certification by the commissioner or the commissioner's designee pursuant to this section shall be deemed a judicial function and shall not be reviewable if done in accordance with law.
4.

 - (a) Medical parole granted pursuant to this section shall be for a period of six months.

If the board makes such a determination then it may make a new grant of medical parole pursuant to the standards of paragraph (b) of subdivision one of this section. At the hearing, the releasee shall have the right to representation by counsel, including the right, if the releasee is financially unable to retain counsel, to have the appropriate court assign counsel in accordance with the county or city plan for representation placed in operation pursuant to article eighteen-B of the county law.

- (i) A releasee who is on medical parole and who becomes eligible for parole pursuant to the provisions of subdivision two of section two hundred fifty-nine-i of this article shall be eligible for parole consideration pursuant to such subdivision.
5. 6. To the extent that any provision of this section requires disclosure of medical information for the purpose of processing an application or making a decision, regarding release on medical parole or renewal of medical parole, or for the purpose of appropriately supervising a person released on medical parole, and that such disclosure would otherwise be prohibited by article twenty-seven-F of the public health law, the provisions of this section shall be controlling.
7. The commissioner ~~of correctional services~~ and the chair of the board ~~of parole~~ shall be authorized to promulgate rules and regulations for their respective agencies to implement the provisions of this section.

In any case, the term of office may not be fixed for a period in excess of the term remaining to be served by the then governor, the pay may not be at a rate in excess of that found by the governor to be applicable to comparable officers in the state government, and, if the appointment is not to a position in the competitive service, it shall be made by the commissioner or other chief executive officer, board or commission of the agency affected. Section 39.

Effective date of reorganization plan. 1. A reorganization plan shall be voted on by each house of the legislature, without amendment as submitted by the governor, within thirty days after such submission. The governor may submit only one such plan annually and may amend that plan one time within such thirty day period. Both houses of the legislature shall then have thirty days from the submission of such amendment to vote on the amended reorganization plan. Without the consent of both houses of the legislature, neither a plan nor an amendment may be submitted by the governor after the thirtieth day of May in any year.
